

## **Seven Question Chapter Review**

- Complete in your SS notebook. Use at least ½ page for each question.

**1. Find an event in the chapter and explain how it is like another event in history (or the present).**

**2. Find an example in the chapter of geography influencing events and culture.**

**3. Find an example of a choice made by an individual. Explain how their choice impacted history. Predict how history would be different if they made a different choice.**

**4. Pick three or more individuals in the chapter. Rank them in order from most influential to least influential. Cite textual evidence from the chapter to support your rankings.**

**5. Explain how people or groups in this chapter solved a problem.**

**6. Find examples of people or groups in this chapter fighting over power.**

**7. Find examples of cause-effect relationships in this chapter.**
