## Dystopian Societies

Read each of the following statements and write whether you agree or disagree with each one.

<i>Before Reading</i>		<i>Statement</i>
Agree	Disagree	Children cannot survive with adults.
Agree	Disagree	A perfect society can be a terrifying.
Agree	Disagree	In order to have a perfect society, the government needs to have control over every aspect of public and private life.
Agree	Disagree	People should not be allowed to speak badly or complain about the government or corporations.
Agree	Disagree	It is okay for the government and major corporations to track my movement and purchases on the internet.
Agree	Disagree	Individuality is bad and people should act and dress like one another.
Agree	Disagree	Fetuses (unborn babies) should be screened for imperfections and disabilities prior to birth.
Agree	Disagree	People should have a fear of nature.
Agree	Disagree	Human beings would become like animals without society (organization, cities, culture, etc.)
Agree	Disagree	In a post-apocalyptic world, I know I could survive.
Agree	Disagree	I would speak out against injustice in my society.
Agree	Disagree	A perfect society has no crime.
